Trainee News

New Fellows

Congratulations to the following trainees who have completed their training and examination requirements and were admitted to Fellowship:

By examination-

David Louis Sommerfield, FCARCSI, Vic

Andrew Douglas Powell, FANZCA, NSW

We are pleased to report that this takes the total number of Fellows admitted to 339.

Presentation of New Fellows

Trainees completing their training requirements and being admitted to Fellowship prior to the Annual Scientific Meeting will be eligible to be formally presented at the College Ceremony in Perth on Saturday 12th May. The deadline for registrations close **March 13** and early bird registration closes **March 4**.

ANZCA and FPM Trainee Luncheon

The Faculty of Pain Medicine would like to invite all Pain Medicine Trainees registered for the Annual Scientific Meeting in Melbourne to attend a complimentary lunch on Saturday May 4 at noon.

This is an opportunity for FPM Trainees to get together and meet with the leaders of our profession.

Upcoming Events

2013 Refresher Course Day and Faculty dinner

“Selling pain science – communication and cultural competition”

The 2013 FPM Refresher Course Day will be held at the Sofitel Melbourne on Collins, on Friday May 3. The theme “Selling pain science: communication and cultural competition” will explore the diversity of communication issues in pain medicine, including consultation skills, interprofessional communication, our cultural competitors and the pain medicine ‘brand’ in the wider culture of our community. Speakers include international guests Professor Edzard Ernst (UK) and Professor Fabrizio Benedetti (Italy) complemented by speakers from medical and non-medical backgrounds with expertise in all facets of communication. For further details contact the Faculty office or visit our [website](#) to download the registration brochure.

2013 Melbourne Annual Scientific Meeting

“Supersition Dogma and Science”

The 2013 ANZCA Annual Scientific Meeting (ASM) will be held at the Melbourne Convention and Exhibition Centre from May 4-8. The theme is an opportunity for each of us to critically question the basis for our clinical decisions – superstition, dogma or science? The focus will be on pragmatic aspects of anaesthesia and pain medicine practice.

Courses, workshops and podcasts

Foundation Teacher Course 2013

Supporting Fellows and senior trainees to develop teaching skills

The College is offering four face-to-face Foundation Teacher Courses in 2013. The course is open to all Fellows and advanced trainees (provisional fellowship year/advanced training year 3). The course will also be available online.

The aim of the course is to “equip you with the knowledge, skills and professional behaviours to teach effectively”.

More information will be available soon on the [website](#) or please email education@anzca.edu.au

AFRM Bi-National training program

The AFRM will continue to run the Bi-national training program every month from February to November 2013. To view the timetable, please [click here](#).
