The Foundations of Pain Medicine examination needs to be passed before commencing the core training stage. The application fee (paid at the time of applying for FPM training) covers two attempts at this examination within two years. Two sittings of the examination are held annually in January and November. A pass in the Foundations of Pain Medicine Examination is valid for 18 months.

Eligibility for Foundations of Pain Medicine Examination

In addition to submitting this Foundation of Pain Medicine examination form, applicants must have applied for training with the Faculty of Pain Medicine by paying the non-refundable training application fee and submitting the application for training form and supporting documentation by the examination closing date.

Closing date for the November 2016 examination sitting: September 30, 2016.
Closing date for the January 2017 examination sitting: November 30, 2016.

College ID: __ / __ / __ / __ / __ (if known)  
Name: ________________________________________________
