CORPORATE AFFAIRS

National Pain Strategy

The Constitution and Board composition for Painaustralia Limited has now been finalised. The Board composition reflects the breadth of experience and expertise required to get this National advocacy body off to a strong start.

Associate Professor Milton Cohen, FRACP. FPPMANZCA has been confirmed as the ANZCA/FPM nominee to the Painaustralia Limited Board.

International Pain Summit - Montreal

Two documents are in progress resulting from the Montreal Summit: A Declaration of Montreal promoting pain management to governments as a fundamental human right and the second describing Desirable Characteristics of National Pain Strategies, which is awaiting IASP approval.

COMMUNICATION

Pain Medicine in the Media

In addition to the media interest surrounding the GYAAP and FPM Spring Meeting, the Faculty's DPA, A/Prof Milton Cohen, gave a lengthy interview on chronic pain on Perth radio and was heard by an estimated 32,000 people in WA.

An article in the *Bulletin* on the Essential Pain Management courses in PNG and the Pacific Islands also resulted in media coverage. Dr Wayne Morriss was interviewed on Radio Australia. [Click here](#) to read more.

Realising the health benefits of work

The Australasian Faculty of Occupational and Environmental Medicine (AFOEM), under the auspices of the Royal Australasian College of Physicians, recently launched a position statement, *Realising the Health Benefits of Work*. [Click here](#) for more information.

TRAINEE AFFAIRS

Education

Appointment of Supervisor of SoTs

Dr Melissa Viney FANZCA (Vic) has been appointed as the Faculty's new Supervisor of Supervisors of Training as of 1 January 2011, replacing Dr Tim Semple (SA) who is stepping down from the role due to his imminent Presidency of the Australian Pain Society.

Undergraduate Medical Student Prize

As part of its strategic plan to increase education and training in pain medicine, the Board resolved to pilot an undergraduate medical student prize in ten medical schools across Australia and New Zealand. All medical schools will have the opportunity to apply for the award. Ten prizes, each of \$500 and a certificate will be awarded to the best undergraduate students in pain medicine in the last two years of undergraduate training.

Examinations

The 2010 Faculty of Pain Medicine examination was held November 24-26 at the Barbara Walker Centre for Pain Management, St Vincent's Hospital Melbourne. Sixteen of the twenty candidates were successful. The Barbara Walker Prize for Excellence in the Pain Medicine Examination was awarded to Dr Rebecca Martin (NSW); Merit Awards went to Dr Nicholas Christelis (Vic) and Dr Frank Thomas (NZ).

Late Registration for Training

In April, the Board resolved to give discretion to the Assessor to consider, under extenuating circumstances, late registrations submitted no later than the first due quarterly ITA. In October, the Board finalised regulation 4.3.4 pertaining to late registrations to take effect from January 2011. Those applying for late registration will be required to provide supporting documentation and will incur a late registration fee for the first month and a monthly fee thereafter in addition to the Annual Training Fee.

FELLOWSHIP AFFAIRS

New admissions

Dr Matthew Bryant (QLD) and Dr Jing-Chen Jason Chou (VIC) were admitted to Fellowship via the Training and Examination Pathway. This brings the number of Faculty Fellows to 294.

PROFESSIONAL AFFAIRS

New Zealand Application for Specialty Recognition

The New Zealand Office of ANZCA has now received the letter from Medical Council of New Zealand confirming its decision to invite the FPM to submit to Stage Two of their application process for recognition of Pain Medicine as a separate vocational specialty in New Zealand. For the Stage Two submission some 'additional' information will be required because of their changed policy part way through our submission process. The additional information is especially regarding the sustainability of the FPM. It is noteworthy here that small numbered specialties are not favoured by MCNZ, although in preliminary enquiry of MCNZ Chairman Faculty representatives were told small numbers *per se* do not preclude separate vocational recognition, and we were given examples of some with very small numbers but nevertheless clearly separate specialties.

RESOURCES

Pain Medicine Journal Now Online

Pain Medicine is now available to all ANZCA and FPM members online via the Library journal list. Pain Medicine is a multi-disciplinary journal dedicated to the pain clinician, teacher and researcher. It is the Official Journal of the American Academy of Pain Medicine and of the Faculty of Pain Medicine of the Australian and New Zealand College of Anaesthetists.

The journal is devoted to the advancement of pain management, education and research.
