The Faculty Board will next meet on 28 February in Melbourne. Other meetings for 2011 are scheduled as:

12 May (Hong Kong)

15 May - New Board (Hong Kong)

22 August (Melbourne)

20 October (Melbourne)

Australia Day Honours

The Board noted with pleasure that the following were appointed as Members of Australia in the Australia Day Honours List in recognition of distinguished contributions to their disciplines:

Dr John J Collins, FRACP, FFPMANZCA (NSW)

Dr Wally Thompson, FANZCA, FCICM (WA)

Dr Bruce Foster, FRACS (SA)

RELATIONSHIPS PORTFOLIO

Medical Council of New Zealand, Application for Vocational Recognition

After receiving, from MCNZ, further clarification on the required information to complete Stage 2 of the process for recognition of Pain Medicine as a separate vocational specialty in New Zealand, the Faculty is now better placed to proceed. A staged delivery of further information, so as to facilitate without delay the consultation process required under Health Practitioners Competence Assurance Act 2003 (HPCAA) has been suggested. A working party of five will prepare the response, with a deadline of 30 June 2011.

FPM SA Regional Committee

South Australian Fellows met in November and agreement was reached to establish a FPM SA Regional Committee with the aim of looking to the interests of Pain Medicine in SA, the recruitment and support of trainees, the development of educational opportunities for Fellows and the wider medical community and the general support of Fellows. The meeting appointed an interim Committee, Chaired by Dr Graham Wright, which includes Fellows from rehabilitation medicine, occupational medicine, anaesthesia, neurosurgery, gynaecology, pharmacology and both recent and long standing Fellows. Administrative support will be provided by the ANZCA SA Regional Office.

The Interim Committee comprises:

Graham Wright, Interim Chairman

Penny Briscoe, ex-officio

Bruce Rounsefell
Andrew Somogyi
Andrew Zacest
Susan Evans
Dilip Kapur
Gary Clothier

International Pain Summit – Declaration of Montreal

The Declaration of Montréal, a document developed in conjunction with the International Pain Summit in September, has been approved by the IASP Council and is now available on the IASP Website for endorsement by organisations and individuals. The FPM Board will consider FPM endorsement of this declaration at the February Board Meeting. Fellows and Trainees are encouraged to consider individual endorsement. Please [click here](#) for more information.

National Pain Strategy

The Constitution and Board composition for painaustralia Limited has now been finalised. The initial board appointments are as follows:

James Strong AO - Chairman of Woolworths Limited, Kathmandu Holdings Limited and Australian Council for the Arts; former Chief Executive and Managing Director of Qantas Airways Limited and former Chair of IAG, has been appointed inaugural chairman.

Co-Opted Directors appointed under clause 19.6 of the Constitution are:

The Hon. James Wood AO QC, Chair Law Reform Commission, former Judge of the Supreme Court of NSW and Royal Commissioner into NSW Police Corruption (1994-97); Member of the Human Research Ethics Committee Royal Princess Alexandra Hospital for Children.

Robert Regan, Partner in Charge of the Sydney Office of Corrs Chambers Westgarth, a member of the Corrs executive leadership team and Director of the Australian Centre for International Commercial Arbitration;

Geoffrey Applebee, former managing partner of Ernst and Young, Canberra and Sydney offices, former Director Canberra Region Medical Foundation and Goodwin Aged Care Homes Inc, and a member of the Corporate Committee of Juvenile Diabetes Research Foundation.

Kieren Perkins OAM, one of the greatest swimmers of all time having broken 12 world records and the first person in history to hold the Olympic, World, Commonwealth and Pan Pacific titles simultaneously; Board Member of the Australian Sports Commission, Head of Business Development and Acquisition Qld, for the National Bank. Kieren is also a dedicated and compassionate carer for his wife Symantha who lives with chronic pain.

Professor Michael Cousins AM, Director Pain Management Research Institute and Chair National Pain Strategy is nominated as a director under clause 19.6 (d) of the Constitution.

Directors nominated by ANZCA/FPM and Australian Pain Society in accordance with clause 19.4 of the Constitution, are:

Associate Professor Milton Cohen Director Professional Affairs FPM
and

Professor Stephen Gibson former President of APS, respectively.

Two Community / Consumer representatives will also be appointed in accordance with clause 19.7 of the constitution and other Criteria set by the National Board. Nominations for these appointments are being sought from the Consumers Health Forum of Australia and member organisations of painaustralia representing people living with pain.

Membership: Those organisations that have formally endorsed the National Pain Strategy will be invited to sign up as foundation members. New members will be entered into the register of members by the Board (clause 8.4 of the Constitution). The register will record the member's name and address, and the date of entry.

painaustralia website: A new website has been established at www.painaustralia.org.au. It is a work in progress established initially by migrating the content of the painsummit website, which will henceforth lapse. Much of the Summit content will be preserved and the site will be progressively updated to reflect the role of painaustralia.

Inaugural ANZCA Media Award

Media in Australia and New Zealand have been invited to participate in the inaugural ANZCA Media Award. A prize of \$5000 will be awarded for the best news story or feature about anaesthesia or pain medicine that appears in print, on radio, on television or online in 2011. Entries will be judged on their originality and the impact they may have had in giving the community a better understanding of anaesthesia or pain medicine.

Media kits were posted to key health and medical journalists, program directors and newsrooms in Australia and New Zealand last week and the poster was emailed to a wider group last night. For more information, click on the banner advertisement that has been posted on the FPM website homepage.

TRAINEE AFFAIRS

Training Unit Accreditations

New Accreditations

Kowloon East Cluster Pain Management Centre, United Christian Hospital (Hong Kong) has been accredited for Pain Medicine. This is the second unit outside of Australia and New Zealand to be accredited and takes the number of accredited units to 25.

Re-accreditations

Following successful reviews, the Auckland Regional Pain Service (NZ) and Nepean Hospital (NSW) were re-accredited for training.

FPM Professional Document PM2

A review of FPM Professional Document PM2 (2005) *Guidelines for Units Offering Training in Multidisciplinary Pain Medicine* is underway.

Education

The 2010 Examination Report is now available on the FPM Website as a resource to Trainees in their exam preparation and to Fellows as a CME tool. To view the report [click here](#).

Podcasts

FPM Staff are liaising with the ANZCA's EDU to develop the Faculty's first Podcast which will be on Examination Tips. Filming is expected to be undertaken in April with the support of ANZCAs Education Development Unit.

Undergraduate Medical Student Prize

To date; three medical schools have responded positively to the Faculty's offer of a prize to be awarded to the best medical student in a Pain Medicine topic.

Examination Dates

25-27 November 2011

The Royal Brisbane and Women's Hospital, Brisbane QLD

Closing Date for Registration: 7 October 2011

Pre-Exam Short Course

The date and venue for the pre-exam short course is to be confirmed.

FELLOWSHIP AFFAIRS

New Admissions

Dr Chee-Yong Choo (Singapore) was admitted to Fellowship via the Training and Examination Pathway on 28 January 2011. This brings the number of Faculty Fellows to 295.

Associate Fellows

The Board resolved that Associate Fellows of the Faculty will be eligible to present for formal admission during the College Ceremony at the ASM. Associate Fellows will be presented separately from those presenting for full Fellowship with an explanation of the difference in their introduction. Associate Fellows will be eligible to present again for formal admission upon conferral of full Fellowship.

Submissions

ANZCA's Director, Policy, Quality and Accreditation attended the first meeting of the Telehealth Advisory Group of the Department of Health and Ageing in Canberra in December. As this seems to be primarily related to telehealth consultations with pain medicine specialists, Associate Professor Milton Cohen (FPM DPA) will now be representing ANZCA/FPM on that group. The Faculty

subsequently responded to an invitation to comment on the discussion paper: *Connecting health services with the future: Modernising Medicare by providing rebates for online consultations*.

The Faculty also contributed to recent submissions including: ·

- Australian Commission on Safety and Quality in Health Care - Clinical Handover Pilot Program
- Australian Commission on Safety and Quality in Health Care – Patient-centred Care: Improving Quality and Safety by Focusing Care on Patients and Consumers ·
- Australian Commission on Safety and Quality in Health Care - Consultation Paper on the Draft National Safety and Quality Healthcare Standards
- Health Quality and Complaints Commission: Risk Profiling and Doctors with Multiple complaints ·
- Medical Board of Australia – Specialist Registration - Registration Standard ·
- A National Framework for Advance Care Directives Consultation Draft

Regional News

ACC (Accident Compensation Commission) forum for Intervention Pain Management

The FPM has been invited to send a representative to a forum for Intervention Pain Management (IPM) that ACC is holding on the afternoon of 11 April in Auckland. The forum is intended to:

- discuss where IPM fits within pain management services;
- consider scopes and provisions of the contract;
- introduce ACC's updated IPM operational guidelines; and
- provide recent research information.

Dr Kieran Davis of Auckland will be attending as the FPM representative on ANZCA's NZNC with Dr David Jones of Dunedin, attending as FPM Dean.

RESOURCES

Pain Management Research Review

To view the latest issue of the *Pain Management Research Review*, [click here](#). Selection and review of the trials is carried out by Dr David Gronow, Director of both the Sydney Pain management Centre and Multidisciplinary Pain Services at Westmead Hospital. The Review also provides website links to the abstract or fully published papers. *"In bringing these publications to the attention of Fellows, the Faculty does not vouch for the accuracy of or endorse the content."*

Finance

For the 2010 financial year, the operating result for the Faculty showed a favourable variance against budget. This reflected the higher number of new Fellows, careful travel budgeting and strong attendance at Faculty CME events. The Faculty Board resolved in November to raise 2011 FPM subs and fees in line with ANZCA's increase.

Appointments

Administrative Officer, Education and Research

Jannah Collins has joined the Faculty of Pain Medicine [jannah.gif](#) team as Administrative Officer, Education and Research. Jannah brings experience in both administration and publishing, having worked for a number of years in education publishing and, more recently, as an Administration Officer for the MBBS Assessment Unit, Faculty of Medicine, Nursing and Health Sciences at Monash University. Jannah has a post-graduate degree in editing, which will also be a valuable resource to the Faculty.

Project Officer

A position description is currently being developed for a 0.2 FTE non-clinical educationalist to support the Faculty's blueprinting and curriculum review project.

ANZCA Library - New Journal for 2011

The ANZCA Library has added three new medical education journals to the online subscriptions: Clinical Teacher, Medical Education, and Medical

Teacher.

Another new title, Journal of Pain Research, is an international, peer reviewed, open access, online journal that welcomes laboratory and clinical findings in the fields of pain research and the prevention and management of pain.
