

Pain Medicine Specialist

IN LEADING PRIVATE PRACTICE

- Exciting opportunity to join an established and growing pain practice
- Modern, purpose built consulting suites with new state of the art private hospital
- Become part of a multidisciplinary team and work alongside leading pain practitioners

Metro Pain Group is an expanding medical group seeking a Pain Medicine Specialist to join our team of practitioners based in the heart of the Monash medical precinct.

As leaders in pain management, we offer advanced, innovative and evidence-based therapies tailored to suit individual patients. We aim to enhance our patients' quality of life by reducing acute, chronic, complex and cancer pain through the collaboration of our multidisciplinary team comprising doctors, physician associates, psychologists, physiotherapists and nurses.

What we offer:

- Established referral base
- Flexible days and hours
- Mentorship for new Fellows wishing to enter private practice
- Potential opportunity for private anaesthetic work for FANZCA candidates
- Involvement in research projects
- Full administrative support

Requirements:

- Current AHPRA registration
- FPPMANZCA qualifications

Interested interventional and non-interventional Fellows of the Faculty of Pain Medicine (FPM) should apply by emailing our CEO, Roger Pendred, on rpendred@metropain.com.au or alternatively call on 0404 115 275 for a confidential discussion. We also welcome applications from Practice Development Stage (PDS) FPM Trainees.
