

# Download your **FREE** Opioid Calculator app

## Developed by the Faculty of Pain Medicine, Australian and New Zealand College of Anaesthetists

An essential clinical tool:

- Simplifying the calculation of total oral Morphine Equivalent Daily Dose (oMEDD).
- Using evidence-based, conservative limits for opioids.
- Utilising a “traffic light” opioid dose warning system to provide a new level of clinical caution.
- Useful links to further information and education about safe opioid dosing.
- Clear, simple and user-friendly format.
- For prescribers and patients alike.
