

Senior Registrar (Advanced Trainee in Pain Medicine)

Live, work and play on the beautiful Sunshine Coast. Join an expanding Health Service with a culture of innovation, education, training and research, with facilities across the Sunshine Coast including the new University Hospital at Birtinya.

Key responsibilities:

- Provide ethical, clinical and academic leadership, to ensure that the highest standard of evidence-based clinical practice and policy awareness is integrated into patient care.
- With consultant supervision, develop, implement and evaluate a management plan within a multidisciplinary setting, for outpatients and inpatients with chronic pain, including inpatients under the care of Sunshine Coast Persistent Pain Management Service (SCPPMS) consultants in Pain Medicine.
- Develop procedural skills, and assist consultants in procedural management of patients with persistent pain.
- Participate in the Pain Management Programs by conducting patient education classes.

Remuneration comprising salary between \$134 389 - \$148 091 p.a., employer contribution to superannuation (up to 12.75%) and annual leave loading (17.5%) (L10 - L13) (temporary position available for up to 12 months with possible extension). Applications will remain current for 12 months. Please note: only applications from candidates will be accepted (applications that may result in an agency fee will not be considered).
