

Sydney Pain and Rehabilitation Centre

Pain Specialist

Sydney Pain and Rehabilitation Centre (SPARC) is looking for a Pain Specialist to join our multidisciplinary private pain practice in Southwest Sydney area and Central Sydney. Our rooms are located inside the Private Hospitals in central Sydney and Campbelltown. We have a full multidisciplinary team including pain specialists, rehabilitation medicine physician, psychologists, physiotherapists, podiatrist, OT, dietitian and practice nurses that help us assess and manage all types of pain including acute, chronic and cancer pain. There will be room and equipment (including US machines) for procedures inside the practice and also access to Private hospital theatres.

We have an established referral base and offer an attractive remuneration package. Mentoring for pain interventions will be available. We are very flexible with hours and days.

Requirements:

Current AHPRA registration

FFPMANZCA qualifications.

Potential for private anaesthetic work in private hospitals for candidates with FANZCA.

Non-interventional pain physicians are also welcomed.
