Relationships

Painaustralia

The first meeting of Painaustralia, hosted by the NSW Minister for Health and Medical Research, Jillian Skinner, was held at Parliament House, Canberra, on October 20. The Chair of Painaustralia, James Strong, addressed the meeting on the activities of Painaustralia since its incorporation in November 2010 and its immediate goals for the future. Representatives from NSW, Queensland and Western Australia also addressed the meeting, outlining developments in each state. [Click here](#) to view the media release.

National Pain Week – July 2012

A National Pain Week is proposed for July 2012 to highlight the national need for improved knowledge about chronic pain and better access to pain services. The inaugural awareness-raising initiative was conducted by Chronic Pain Australia in 2011. Painaustralia is forming a national organising committee to help develop a national program of events and media activities.

If you would like to participate in the National Pain Week Committee, please contact Painaustralia by [email](#).

Global Year Against Headache

The IASP Global Year Against Headache launched on Monday October 17. Faculty board members worked with the ANZCA Communications Unit to produce media releases for Australia and New Zealand, which generated strong media interest, including an interview on Australia's Channel 10.

FPM/Royal Australian College of General Practitioners online education initiative

The Curriculum Development Committee for this project met at ANZCA House on 14 October 2014. The outcome of this meeting was the identification of an extensive list of topics of relevance to the Faculty's education collaboration with the RACGP. Six topics have now been identified as high priority to be the subject of the first 6 modules, which will make up the complete 6 hour Active Learning Module. Each of these modules will be produced in the next 4-6 months as the first stage of this initiative.

At its meeting on 27 October, the Faculty's Education Committee identified a number of Fellows to be invited to work with the RACGP to inform and produce the content of these first 6 topics. This project continues to progress on time for launch at the FPM 2012 Spring Meeting and GP12 meeting.

Trainees

Pre-examination short course

The Faculty's Pre Examination Short Course was held at the ANZCA Brisbane regional office on September 23-25. The course was attended by 30 pre-registered and registered trainees of the Faculty, our highest attendance yet. The trainees gave positive feedback and we thank the convenors, Drs Frank Thomas and Richard Pendleton, as well as Michelle Cordwell and the regional staff, for organising such a well-run event.

Registrations closed for 2011 examination

Registrations have now closed for the 2011 examination, which will be held at Royal Brisbane and Women's Hospital on November 25–27. A record 30 candidates have registered. Observers will attend from the UK and Ireland. Trainees who have registered to sit the examination should have received their receipt and guidance notes in the mail.

Please [contact](#) the Faculty office if you have not received this information.

AFRM Bi-national Training

Trainees are reminded of the collaborative learning agreement between the Faculty and Australian Faculty of Rehabilitative Medicine (AFRM), allowing all FPM trainees access to AFRM's bi-national training sessions. There are no fees charged for Faculty trainees at a site where there is an AFRM trainee. For registration assistance please contact RACP Events- visit the [website](#) or [email](#) or ring +61 2 8247 6240.

Podcasts- call for presenters and topics

Are you a trainee who is enjoying having access to e-learning resources?

The FPM Staff would be delighted to hear from you to know which subject areas would really benefit you as we continue to expand the series of podcasts. If you know specialists who are experts in the field and you have missed the opportunity to hear their presentations, or you have heard keynote presenters and think your fellow trainee colleagues would benefit from hearing their presentations as podcasts, please do contact us so that we can tailor resources to your needs.

The FPM Staff would also be delighted to hear from Fellows interested in recording video podcasts on topics that are relevant to either the final or primary exam. To volunteer to present a podcast, please contact Jennah Collins via [email](#). To access current available podcasts, visit the [FPM website](#)

Continuing Education and Quality Assurance

2011 Spring Meeting

The FPM Spring Meeting in Canberra on October 28-30 was a great success with over 150 delegates and strong healthcare industry support. The meeting commenced with an entertaining and energetic debate that provoked discussion amongst presenters and delegates. FPM Director of Professional Affairs, Associate Professor Milton Cohen, and South Australian pain researcher, Professor Lorimer Moseley, appeared on 2UE in Sydney, 707 ABC in Sydney and 774 ABC in Melbourne to talk about aspects of pain as part of the event. Slides, abstracts and other information from the meeting will be available on the FPM website shortly.

The 2012 FPM Spring Meeting will be held from September 28 – 30 at the Hyatt Regency Coolum Resort, Sunshine Coast. We look forward to seeing you there.

ANZCA Trials Group

The ANZCA Trials Group has two sessions planned for the Perth Annual Scientific Meeting, and will also hold its annual lunchtime meeting for all interested researchers on Saturday May 12. This meeting includes allied health attendees who are involved in ANZCA Trials Group research.

The meeting provides an excellent opportunity to meet with fellow researchers and hear the latest updates and progress of existing studies. Planning is under way for the next ANZCA Trials Group Strategic Research Workshop to be held in Palm Cove from August 10-12. This meeting was a huge success in 2011 with very positive feedback on the location, venue and content.

For more information on either of these two events contact: spoustie@anzca.edu.au
